

## LADY FLAMENCO

---

Ideal as an after-dinner drink or paired with a dessert. The freshness of raspberries and the fruitiness of cherries blend perfectly with the dry aroma of Carlos I to leave a slight echo of orange.

### INGREDIENTS

50 ml of Carlos I  
4 fresh raspberries  
30 ml fresh orange juice  
15 ml cherry liqueur

### METHOD

In a cocktail shaker, muddle the raspberries to obtain a purée before adding the remaining ingredients, together with some ice. Shake, double strain, and serve.

### PRESENTATION

Serve in a coupe glass and garnish with a raspberry and some rosemary leaves.
